INSIDE IYSA

OCTOBER 2025

PLEASE JOIN US IN CELEBRATING & SAYING THANK YOU TO JASON BENNETT!

Jason has been with IYSA since the academy's beginnings. He most recently served as the IYSA Board President and is stepping down from this role to pursue other life adventures. We want him to know how thankful we are for all of his hard work, dedication and the heart that has gone into forming IYSA, leading it's direction and creating an atmosphere of learning and love of the game. Jason has used his 35+ years of experience in coaching and managing various sports teams to help grown IYSA from an idea to the academy it is today. We want to thank him for all that he has done and though we will be saying goodbye to him in this role, he will always remain in our IYSA hearts.

STAFF HIGHLIGHT: NEW BOARD PRESIDENT: SEAN O'BRIEN

With over 40 years of experience in the game, Sean O'Brien brings a lifetime of passion and dedication to the sport of soccer. He began playing at the age of five and has since played in every position on the field, ultimately finding his home as a goalkeeper from U12 through high school. His journey continued through university club soccer and even extended overseas, where he played amateur club soccer in the Middle East while working abroad for four years. Today, he remains actively involved in the sport, playing in adult leagues and mentoring young athletes. His love for the game is matched only by his joy in watching his own children grow within the club and seeing all of the club players develop their skills and love of the game over time. As president of the academy, he is committed to fostering a positive, skill-focused environment where all players of all levels can thrive and have fun!

This past year, IYSA also hosted a team from Trinidad. They were able to come to Ithaca and participate in some IYSA events including the International Connection Tournament hosted at the Rink in Lansing.
